

Fahraeus medal presentation 2005

*13th Conference of the European Society for Clinical Hemorheology (E.S.C.H.), Siena, Italy
June 26th–29th, 2005*

As a first motion of this Conference, I am glad to introduce now the Fahraeus Award Ceremony.

It is a great honor and pleasure for me to announce the winner of the Fahraeus Medal for the year 2005, Michel René Boisseau.

As previous winner of the Medal in 2003 it is my duty to proceed with the Laudatio for Michel.

Siena, June 26th, 2005

Sandro Forconi

*President of the Conference and of the European Society for Clinical Hemorheology
Department of Internal Medicine, Cardiovascular Diseases and Geriatrics, University of Siena, Italy*

Michel R. Boisseau and Sandro Forconi
