

AN APPEAL TO THE READERS OF BIORHEOLOGY

Last Call to Participate in the 4. International Congress
of Biorheology, Tokyo, Japan, 27. July to 1. August, 1981

Our colleagues in Japan hope to welcome you at the 4. International Congress of Biorheology for the fruitful exchange of ideas and information in the different fields of the science of biorheology. The Congress will take place at Jikei University School of Medicine under the presidency of Eiichi Fukada, President of the International Society of Biorheology and with Syoten Oka as the Honorary President of the Congress.

For further information about the scientific and social programs, contact Yaso'o Matunobu, Secretary General of the Congress, Department of Physics, Keio University, Hiyoshi, Kohoku-ku, Yokohama 223, Japan.

It should be noted that the double issue 2/3, mentioned in the Editorial of issue number 1, will instead comprise issues 3 to 6 of volume 18.

The 27 abstracts of communications, in addition to the 159 abstracts published in issue number 1 of volume 18, appear in the present issue of BIORHEOLOGY. Its publication was delayed because of the 20. April deadline for additional abstracts, as announced in the previous issue.

The Readers of BIORHEOLOGY may also be interested in attending the Satellite Meeting "International Symposium on Hemorheological Approach to Cardiovascular Diseases", to be held on 3. August 1981 in Osaka at the National Cardiovascular Center. Additional information on this meeting is contained in this issue.

Come to Japan and attend the Congress of Biorheology in Tokyo and its Satellite Meeting on clinical hemorheology in Osaka!

A.L. Copley
