1990

SPECIAL ISSUE

**The Sixth European Conference on Clinical Hemorheology
Part I**

CONTENTS

A.L. Copley and S. Witte	569	<i>Editorial</i>
A.L. Copley and S. Witte	571	<i>A Tribute</i> Leopold Dintenfass (1921-1990) <i>Proceedings of the 6th European Conference on Clinical Hemorheology, 15-17 June 1989, Frankfurt am Main, Germany. Part I. Editors: A.L. Copley and A.M. Ehrly</i>
A.M. Ehrly	573	Welcome Address <i>The Robin Fåhræus Medal Award Ceremony</i>
J.-F. Stoltz	577	Laudatio: Fåhræus Awardee Tullio Di Perri
T. Di Perri	581	The Fåhræus Award Lecture: The hyperviscosity syndromes <i>The A.L. Copley Award for Young Investigators in Clinical Hemorheology</i>
A.L. Copley	597	Introduction
F.-J. Neumann, H. Tillmanns and W. Kübler	601	The A.L. Copley Award Lecture. Hemorheological abnormalities in acute coronary syndromes: Cause or consequence?
A.M. Ehrly	613	Address of the Conference Chairman at the Banquet in Kloster Eberbach. 16 June 1989
A.L. Copley	621	In Appreciation. After-Dinner Speech at the Kloster Eberbach Banquet <i>Plenary Lecture</i>
A.M. Ehrly	625	On the relationship between microcirculation and hemorheology in clinical medicine: New aspects and strategies <i>Symposium: Hemodialysis, Plasmapheresis and Extracorporeal Circulation</i>
H. Hein, D. Pfitzner, M. Keuchel, E. Ebel, H. Lange and P.v. Wichert	637	Hemorheology under two different hemodialysis regimens
H. Bäumlner, B. Distler, H.-P. Scherf, C. Möckel, H. Miller, D. Lerche, B. Papies	645	Thiobarbituric acid reactive substances in plasma and flow properties of blood of patients under chronical hemodialysis <i>Symposium: Kidney Diseases, Erythropoietin Treatment</i>
M. Paulitschke, W. Meier, D. Lerche, K. Zoellner and G. Schmidt	653	Positive effect of recombinant human erythropoietin on static and dynamic properties of individual red blood cells in uremic hemodialysed children
	665	<i>Abstracts of 13. Annual Meeting, Japanese Society of Biorheology, Nara City, Japan, 21-23 July, 1990</i>
	671	<i>Announcements</i>
	673	Contents of Biorheology Volume 27, Numbers 3/4
