### ANNOUNCEMENT

#### **First China-France International Symposium of Biorheology**

##### **FIRST ANNOUNCEMENT**

The **first China-France International Symposium of Biorheology** will be held in Beijing, China, Aug. 31-Sept.2, 1994. It is sponsored by French Society of Biorheology (Chairman J.F STOLTZ), Chinese Society of Biorheology (Chairman WU YUN-PENG) and Chinese Society of Biomechanics, CSTAM (Chairman YANG GUI-TONG).

The Organizing Committee would like to extend our cordial invitation to all peoples to attend, the first China-France International Symposium. The main themes of the symposium are theoretical and experimental biorheology, hemorheology and clinical hemorheology, molecular biorheology, hemorheology and hemodynamics, hemorheology and microcirculation, tissue engineering and rheology, and for promoting the exchanges of scholar achievements and cooperation on biorheology. September is the best season for you to enjoy and visit a great number of historical places and scenic spots and the traditional east atmosphere.

**Dates** : Aug.31-Sept.2, 1994 and a one-day tour including the Great Wall and one of the Ming Tombs.

**Place** : Beijing Hotel, Beijing, China

**Call for Papers** : deadline of receiving papers : May 1, 1994. All submitted papers should be made camera-ready in English with a typing area of 145 x 210 mm and must not be longer than 4 pages.

**Accommodations** : The Symposium will be held at Beijing Hotel, the rate will be as follow :

Single Room : about US\$ 100 per night

Double Room : about US\$ 55 per person-night

**Registration Fee** : FF. 2000 (for delegates) (about 340 US\$). including proceedings, welcoming party, banquet, break tea and a one day tour.

If you wish to be **included on the circulation list**, and for **further informations** concerning this Symposium, please contact Professor J.F. STOLTZ or Doctor HE Lin at the following addresses :
