

CALENDAR OF EVENTS

This selected listing of upcoming events is offered as a service to our readers. It provides brief information on various conferences and meetings which are of more than local significance, and covers the period of approximately one year beyond the publication date of each issue. We can of course assume no responsibility for the complete accuracy of the information on which individual entries are based. Supplementary entries and updated details are incorporated with each issue, insofar as these come in the meantime to our attention.

September 5-7, 1983
