

## MAKE SURE THE JOURNAL REACHES YOU

This is the last issue of the ICCA Journal to appear in 1987. Your membership has formally expired by December 31, 1987. In 1987, you should have received four Journals, which were due under your membership. In order to receive the 1988 Journals, you should subscribe as an ICCA member. The (renewal) fee is now Dutch florins (Hfl.) 50.--, or US \$ 25.-- for those residing in North America. The annual fee, valid for the years 1987-1989 inclusive, was set by the Triennial Meeting in Cologne, 1986, on US \$ 20.--, but due to the enormous fall of the dollar, the Dutch publisher is no longer able to provide four Journals for this dollar price. Therefore, the fee is set to US \$ 25.--. All members who have paid in advance do not have to supply the deficit, because their money has been transferred in time. We stress that the fee required ought to be *net* to ICCA, that is, our credit booking, free of all banking charges. However well-intentioned they may be, we often receive checks to the amount of Hfl. 50.-- (or equivalent) on which *we* are charged for banking fees. Since these currently amount to some one-sixth of this subscription rate, they are an imposition. Hence, we beg you, when remitting a cheque or any other form of payment, to arrange that it should be *net* and free of all charges to the recipient, which, after all, is your own ICCA.

For renewals or new subscriptions, US and Canadian readers are invited (for 1988) to remit US \$ 25.-- to:

ICCA  
c/o Dr. J. Schaeffer  
Dept. of Computing Science  
University of Alberta  
Edmonton / Alberta T6G 2H1 / Canada

European readers are invited (for 1988) to remit Hfl. 50.-- to:

ICCA Europe  
c/o Prof dr. H.J. van den Herik  
AMRO Bank no. 45 07 90 878  
Bank Address: Helmstraat 2  
P.O. Box 560, 6200 AN Maastricht/The Netherlands  
The Postgiro account no. of the AMRO Bank is 10 50 085

(but as noted below remittances to Dr. Schaeffer are equally acceptable and even preferred.)

Please include a correct statement of your mailing address. (We keep receiving payments without addresses!) Should your mailing label be erroneous or when changing residence, please return an amended label to Dr. Schaeffer or Prof. dr. van den Herik as the case may require. Those not resident in Europe, the US or Canada are at liberty to remit their dues to either account. However, they are encouraged to use the Treasurer's account, resulting in speedier administration and address handling. More generally, for ease of administration, it is now and will be increasingly in future to have all dues remitted to the ICCA address in Canada.

While stocks last, back issues of the ICCA Journal as from Vol. 6, No. 3 (August 1983) up to Vol. 10, No. 4 are still available at US \$ 6.-- each, US \$ 20.-- for any four and US \$ 80.-- for the set up to Vol. 10, No. 4. Please order these as you would order or renew a subscription.

For an Institutional Membership, we refer to the Past President's (1986) report, stating, in effect, that they may obtain six copies of all the year's issues for a US \$ 100.-- annual fee.

The addresses of authors not mentioned above will be found elsewhere in this issue of the Journal.

Contributions (up to 4000 words) should be typed double spaced, or, preferably, sent by EARN to AWINFVDH@HMARL5, in the form of a file fit for troff processing under the -ms macro package; chess diagrams when helpful should be included; all notations must be algebraic, with N for Knight.

Short contributions (2000-3000 words) are preferred.

Longer papers of striking originality and cogency may be considered, provided the authors consent to publication in instalments.

Please submit all contributions and correspondence to:
