

MAKE SURE THE JOURNAL REACHES YOU

This is the last issue of the *ICCA Journal* to appear in 1988. Your membership has formally expired by December 31, 1988. In 1988, you should have received three Journals, one of which was a double issue, as due to you under your membership. In order to receive the 1989 Journals, you should subscribe as an *ICCA* member. The (renewal) fee is now Dutch florins (Hfl.) 50.--, or US \$ 25.-- for those residing in North America. The annual fee, valid for the years 1987-1989 inclusive, was set by the Triennial Meeting in Cologne, 1986, on US \$ 20.--, but due to the enormous fall of the dollar, the Dutch publisher is no longer able to provide four Journals for this dollar price. Therefore, the fee is set to US \$ 25.--. All members who have paid in advance do not have to supply the deficit, because their money has been transferred in time. We stress that the fee required ought to be *net* to *ICCA*, that is, our credit booking, *free of all banking charges*. However, well-intentioned they may be, we often receive checks to the amount of Hfl. 50.-- (or equivalent) on which we are charged for banking fees. Since these currently amount to some one-sixth of this subscription rate, they are an imposition. Hence, we beg you, when remitting a cheque or any other form of payment, to arrange that it should be *net* and *free* of all charges to the recipient, which, after all, is your own *ICCA*.

For renewals or new subscriptions, US and Canadian readers are invited (for 1989) to remit US \$ 25.-- to:

European readers are invited (for 1989) to remit Hfl. 50.-- to:

The address of the AMRO Bank, Helmstraat is:
P.O. Box 560, 6200 AN Maastricht / The Netherlands

(but as noted below remittances to Dr. Schaeffer are equally acceptable and even preferred.)

Please include a correct statement of your mailing address. (We keep receiving payments without addresses!) Should your mailing label be erroneous or when changing residence, please return an amended label to Dr. Schaeffer or Prof. dr. Van den Herik as the case may require. Those not resident in Europe, the US or Canada are at liberty to remit their dues to either account. However, they are encouraged to use the Treasurer's account, resulting in speedier administration and address handling. More generally, for ease of administration, it is now preferable and will be increasingly so in future, to have all dues remitted to the *ICCA* address in Canada.

While stocks last, back issues of the *ICCA Journal* as from Vol. 6, No. 3 (August 1983) up to Vol. 11, No. 4 are still available at US \$ 6.-- each, US \$ 20.-- for any four and US \$ 90.-- for the set up to Vol. 11, No. 4. Please order these as you would order or renew a subscription.

For an Institutional Membership, we refer to the Past President's (1986) report, stating, in effect, that they may obtain six copies of all the year's issues for a US \$ 100.-- annual fee.
