

TABLEBASE OF CONTENTS, CONTINUED

Compiled by Jos Uiterwijk¹

This collection contains the references to all (scientific) Articles, Notes and Literature Reviews published in the *ICCA Journal*, starting from Vol. 17, No. 1 (March 1994) up to and including Vol. 18, No. 4 (December 1995). This list is a sequel to those published in the *ICCA Journal*, Vol. 12, No. 4, pp. 255-259 [covering Vol. 6, No. 3 (August 1983) up to and including Vol. 12, No. 4 (December 1989)], in the *ICCA Journal*, Vol. 14, No. 4, pp. 238-239 [covering Vol. 13, No. 1 (March 1990) up to and including Vol. 14, No. 4 (December 1991)], and in the *ICCA Journal*, Vol. 16, No. 4, pp. 249-250 [covering Vol. 15, No. 1 (March 1992) up to and including Vol. 16, No. 4 (December 1993)].

The list is alphabetically ordered by senior author. The symbols following each reference stand for Article (A), Note (N) or Review (R).

As a service to ICCA members, a complete list, merging the previous three lists and the present one, is available on request. This list, at present containing 249 entries, may be obtained free of charge by sending an Email request to uiterwijk@cs.rulimburg.nl. When applying, please state whether you wish to have the ascii or postscript format. Also, as a new service, the list can be obtained by anonymous ftp from the site [ftp.cs.rulimburg.nl](ftp://cs.rulimburg.nl/pub/papers/uiterwyk) in the directory `pub/papers/uiterwyk` by filename `ICCA_J.toc.asc` (ascii format) or `ICCA_J.toc.ps` (postscript format), and is accessible on the Internet at URL http://cs.rulimburg.nl/uiterwyk/ICCA_J.toc.htm.
