

CALL FOR PAPERS
Advances in Computer Chess 4
16-17 April 1984

The above conference on "Advances in Computer Chess" will be held in London, England. It is the fourth in a series of international conferences specifically about Computer Chess that have been held at three-year intervals.

Contributions are invited from authors who have new results, or ongoing work, to report on any aspect of Computer Chess or related theory.

Papers (3 copies) should be submitted to:

Don Beal
Department of Computer Science & Statistics
Queen Mary College
Mile End Road
London E1 4NS
England

to arrive by 15 January 1984.

(It would be helpful to the organisers if any potential authors who feel able to, would notify their intention to submit a paper as soon as possible, giving a title or summary.)
