
HOW THE JOURNAL REACHES YOU

The ICCA Journal appears four times a year. In order to receive the 1986 Journals, you should subscribe as an ICCA member. On the initiative of ICCA's President, the (renewal) fee is now US\$ 10.-- plus a US\$ 5.-- surcharge, the latter pending approval by the 1986 Triennial Meeting (see ICCA Journal, Vol. 8, No. 4, p. 208). We stress that this fee ought to be net to the ICCA, that is, our credit booking free of all banking charges. However well intentioned they may be, we often receive cheques to the amount Hfl. 45.-- (or equivalent) on which we are charged for banking fees. Since these currently amount to some one-sixth of this subscription rate, they are an imposition. Hence, we beg you, when remitting a cheque or any other form of payment, to arrange that it should be net and free of all charges to the recipient, which, after all, is your own ICCA.

For renewals or new subscriptions, US and Canadian readers are invited to remit US\$ 15.-- (for 1986) to:

Please include a correct statement of your mailing address. (We keep receiving payments without addresses!) Should your mailing label be erroneous or when changing residence, please return an amended label to Mr. Blanchard or Mr. Van den Herik as the case may require.

Those not resident in Europe, the US or Canada are at liberty to remit their dues to either account. However, they are encouraged to use the European account, resulting in their Journals being sent directly from Delft (The Netherlands), which may make for speedier delivery.
