

Erratum note

In the previous edition of Information Polity (14:3) an error was made during the editing process. The error occurred within Kerill Dunne's paper (Cross Cutting Discussion: A form of online discussion discovered within local political online forums). Within Dr Dunne's paper tables 1–6 were placed incorrectly within the text. We would like to apologise for this and let subscribers know that the correct version, with tables in the correct position, can be obtained from Dr. Dunne by emailing him at kerilldunne@yahoo.co.uk.
