

## Announcement and call for papers

---

# EUSIDIC Conference 1985

Every autumn, the European Association of Information Services (EUSIDIC) organizes an annual conference. This year, it is to be held in Bath, United Kingdom, on 29–31 October—under the theme “Information – the billion-dollar industry”.

The technical sessions of this conference will address themselves to the rapid growth of electronic information services throughout a wide spectrum of science, management and industry. Papers are invited from EUSIDIC members. The conference will bring together information users, producers, distributors and policy makers. Participants from a diverse range of backgrounds and organizations will be attending the conference.

Presentations will be grouped under the following headings:

- industry perspective
- technology
- the marketplace
- economics and policies

Anyone wishing to receive further details of the conference should contact: Mrs. Helen L. Henderson, EUSIDIC Administrative Secretariat, P.O. Box 429, London W4 1UJ, UK; tel. (01) 546-7968; telex 825 962.

Anyone wishing to contribute a paper should send details (provisional title and a brief summary) to the Program Chairman: Mme. Anne Girard, Centre de documentation, Institut français du petrole, 1–4 avenue de Bois Preau, 92506 Rueil Malmaison, France.

All papers should be in the English language. A 300-word abstract will be due by the end of August.
