A Population Based Study of Cognitive Function in Older People with Subjective Memory Complaints

Julián Benito León, Alex J. Mitchell, Saturio Vega and Félix Bermejo-Pareja

[*Journal of Alzheimer's Disease* **22**(1), 2010, 159–170]

On page 166, the reference is incorrect:

Multivariate analysis also showed that, in subjects without measured cognitive decline between study entry and 4 year follow up, those with more cognitive complaints at 4 year follow up had significantly greater measured cognitive decline during the subsequent 2 years [36].

The reference should be:

Multivariate analysis also showed that, in subjects without measured cognitive decline between study entry and 4 year follow up, those with more cognitive complaints at 4 year follow up had significantly greater measured cognitive decline during the subsequent 2 years [38].
