Hydrogen Sulfide Protects Amyloid-Induced Cell Toxicity in Microglia

Yan-Ying Liu and Jin-Song Bian

[*Journal of Alzheimer's Disease* **22**(4), 2010, 1189-1200, DOI 10.3233/JAD-2010-101002] <http://iospress.metapress.com/content/k31g725tq4577842>

The above corrections do not affect any other parts of the text and the conclusion of this article.

On page 1195, in Fig. 6, there were errors on the representative Western blot loading control images. Correct representative loading controls for Fig. 6A, D and F are shown below.
