# Aluminum's Involvement in the Progression of Alzheimer's Disease

J.R. Walton

[*Journal of Alzheimer's Disease* 35(1), 2013, 7-43, <http://dx.doi.org/10.3233/JAD-121909>]

On page 16, the last line of the legend for Fig. 3 reads:

“Reproduced from [61] with permission from Elsevier.”

It should read:

“Reproduced from [62] with permission from Elsevier.”

On page 23, the last sentence on this page reads:

“AD patients absorb about 40% more aluminum from a standardized aluminum dose.”

It should read:

“AD patients absorb about 64% more aluminum from a standardized aluminum dose.”
