## Volume contents

### Volume 10 (1998)

---

**From the Editor**

K. Rucker (Richmond, VA) .....	1
--------------------------------	---

**Exercise and organ transplantation**

G.A. Green, G.E. Moore (USA) .....	3
------------------------------------	---

**Characteristics of worker education programs for the prevention of low back injuries**

P.C. Bohr, J.W. Weber (USA) .....	13
-----------------------------------	----

**The effects of the Aqua PT 3-in-1 at 90°F on lumbar flexion, heart rate and blood pressure**

R.M. O'Neil, B.J. MacDonald, R.J. Baril, B. Cocanour (USA) .....	23
------------------------------------------------------------------	----

**Electric sympathetic block: current theoretical concepts and clinical results**

R.G. Schwartz (USA) .....	31
---------------------------	----

**Letter to the Editor**

.....	47
-------	----

**Calendar**

.....	51
-------	----

**Instructions to Authors**

.....	53
-------	----

**Call for papers**

.....	57
-------	----

**Feature column: Alternative medicine****From the Editor**

K. Rucker (Richmond, VA) .....	59
--------------------------------	----

**The effects of asymmetric load carrying on selected parameters of gait**

D. Zwick, R. Czajkowski, A. Dhage, L. Larina, K. Montgomery, A.J. Nelson (USA) .....	61
--------------------------------------------------------------------------------------	----

**Cancer pain: Beyond the ladder**

P.S. Staats (USA) .....	69
-------------------------	----

**The physician's role in workers' compensation**

R.S. Mayer (USA) .....	81
------------------------	----

**Treatment of painful muscle syndromes with botulinum toxin: A review**

M.K. Childers, D.J. Wilson, J.F. Galate, B.K. Smith (USA) .....	89
-----------------------------------------------------------------	----

**Feature Column—Alternative medicine****The use of structural equation modeling for analyzing factors associated with multiple treatment in rehabilitation study**

A.L. Ai, J.W. Spencer (USA) .....	97
-----------------------------------	----

**Letter to the Editor**

.....	101
-------	-----

**Calendar**

.....	103
-------	-----

**Call for papers**

.....	105
-------	-----

**Feature section: The PM&R awareness Initiative****From the Editor**

K. Rucker (Richmond, VA) .....	107
--------------------------------	-----

**Editorial**

E.W. Johnson (USA) .....	109
--------------------------	-----

## The effect of symptom distribution on the motion characteristics of the lumbar spine

A.H. McGregor, C.J. Doré, I.D. McCarthy, S.P. Hughes (UK) .....	111
-----------------------------------------------------------------	-----

## Use of maximum voluntary effort grip strength testing to identify symptom magnification syndrome in persons with low back pain

L.N. Matheson, P.C. Bohr, D.L. Hart (USA) .....	125
-------------------------------------------------	-----

## Relationship between hand size, grip strength and dynamometer position in women

I.M. Fiebert, K.E. Roach, J.W. Fromdahl, J.D. Moyer, F.F. Pfeiffer (USA) .....	137
--------------------------------------------------------------------------------	-----

**Feature Section**

The PM&R Awareness Initiative .....	143
-------------------------------------	-----

**Commentary**

## Braving new worlds: an alternative to the perfect prognosis

K.W. Pavelis (USA) .....	151
--------------------------	-----

**Calendar** .....
