Title: Familiarity of speaker accent on Irish children's performance on a sentence comprehension task

Authors: Claire O'Connor and Fiona E. Gibbon

Journal of Clinical Speech and Language Studies (2010-2011), 18, 1-17.

On page 4, the ninth line of the first complete paragraph, the phonetic transcription of the word "girl" should have read "[gʌrəl]", instead of "[gʌrɪl]".

This regrettable error occurred during the final stage of production.
