The following list honors and recognizes the efforts of reviewers for manuscripts appearing in Volume 2, Issues 1 through 4, of the *Journal of Intelligent & Fuzzy Systems*. The time, expertise, and dedication of these reviewers are invaluable to the journal's administration. We are sincerely grateful for their efforts and apologize for any inadvertent omissions.

Mo Jamshidi and Timothy J. Ross, Editors-in-Chief
Valerie Steinmaus, Editorial Manager

Mohammad Akbarzadeh
University of New Mexico
Jack Aldridge
Togal Infralogic
Ali Asgharzadeh
University of New Mexico
Al Bendure
Sandia National Laboratories
James C. Bezdek
University of West Florida
David I. Blockley
University of Bristol
Auguste Boissonnade
Lawrence Livermore National Laboratory
James M. Carson
University of New Mexico
Jean Lou Chameau
Georgia Institute of Technology
Stephen Chiu
Rockwell Science Center
Fred Choobineh
University of Nebraska–Lincoln
Weimin Dong
Risk Management Software, Inc
Peter C. Eggan
The Aerospace Corporation
Hitoshi Furuta
Kyoto University
Fu Guoyao
Nanjing Gas Turbine Research Institute
Madan Gupta
Saskatchewan University
Richard Hathaway
Georgia Southern University
Eric Henderson
Sundstrand Aerospace Applied Research Organization
Mohammad L. Hussein
Tanta University
Hisao Ishibuchi
University of Osaka Prefecture
Nasser Kehtarnavaz
Texas A&M University
James Keller
University of Missouri–Columbia
L. Ken Keys
Louisiana State University
C.J. Kim
Texas A&M University
Chul-Sung Kim
Exxon Production Research Co.
George J. Klir
State University of New York
Kishan Kumbla
University of New Mexico

Reza Langari
Texas A&M University
Frank Lewis
University of Texas at Arlington
Kai Liu
University of Texas at Arlington
Jerry M. Mendel
University of Southern California
Young B. Moon
Syracuse University
Kevin L. Moore
Idaho State University
Peter W. Mullarkey
Applicon, Inc.
Subbaram Naidu
Idaho State University
H.T. Nguyen
