

## Call for Papers

---

JPRM is putting out a call for papers on the following topics:

Spina Bifida

Cerebral Palsy

COVID-19

Constraint Induced Movement Therapy (CIMT)

Nutrition and Pediatric Rehabilitation

Ethics in Pediatric Rehabilitation

Speech and Language Recovery in Pediatric Rehabilitation

Medical Provider and Family Wellness

Complex Care

Transition from Childhood to Adulthood

Gender Identity and Disability

Mobility

Global Health

We anticipate special issues on these topics ranging from 2021 through 2022. The specific time range of each topic will depend on the quantity and quality of the manuscripts we receive. If you would like to submit a manuscript or apply to be a guest editor for a special issue, please contact our Managing Editor Sara Tinsley at [jprmst@gmail.com](mailto:jprmst@gmail.com).
