

Retraction Notice

Retraction to: A plea for systematic literature analysis and conclusive study design

[Journal of Vestibular Research, online ahead of print (2019), pp. 1-7. DOI: 10.3233/VES-180662]

The retracted article is a duplicate of “A plea for systematic literature analysis and conclusive study design, comment on: “Systematic review of magnetic resonance imaging for diagnosis of Meniere disease”” [1] and has appeared briefly in the pre-press section of the journal. The publisher has removed the article from this section completely.
