

Editorial: Journal of Vestibular Research vol. 34 issue 1

With this issue of the JVR, there is a change in the Editorial Board. Yuriko Sugiuchi relinquished their position as a member of the Editorial Board.

Dr. Sugiuchi has served on the Editorial Board of the Journal of Vestibular Research since 2008. I thank Dr. Sugiuchi for their many years of service to the journal.

I also wish to thank each and every member of the Editorial Board of JVR for their work maintaining and improving the quality of the Journal. Editorial Board members regularly are asked to assist with the peer-review process and to advocate for the Journal. Their efforts are very much appreciated.

And finally, I wish to thank all those members of the vestibular research community who have volunteered their time to review manuscripts submitted to JVR. Their efforts enable JVR to continue as a peer-reviewed forum devoted exclusively to vestibular research.
