## ABOUT THE EDITORS

---

**Nathan D. Zasler, MD**, is assistant professor in the Department of Rehabilitation Medicine, Medical College of Virginia. He is director of Brain Injury Rehabilitation Services, a group of inpatient and outpatient clinical services for persons with traumatic brain injury. Dr. Zasler has written extensively on clinical and research topics in neuropharmacology, pathophysiology, and psychiatry.

**Jeffrey Kreutzer, PhD**, is director of Rehabilitation Psychology and Neuropsychology at Medical College of Virginia. He is co-editor of the recently published *Community Integration Following Traumatic Brain Injury* (Paul H. Brooks Publishing Company) and *Vocational Rehabilitation for Persons with Traumatic Brain Injury* (Aspen). Dr. Kreutzer also holds an appointment as associate professor in the division of Neurological Surgery at MCV.
