Activities of daily living; Functional outcomes; Adapted equipment; Functional assessment **11, 141**

Adapted equipment; Activities of daily living; Functional outcomes; Functional assessment **11, 141**

Anxiety; Spinal cord injury; Depression **11, 155**

Anxiety; Subcortical motor aphasia; Post-stroke; Decision tree; Depression **11, 255**

Brain injury rehabilitation; Certification; Training standards **11, 101**

Brain injury; Dynamic assessment; Learning potential; Instruction potential; Transfer potential **11, 227**

Brain injury; Impairment; Disability; Handicap; Stress and coping; Vulnerability; Outcome **11, 51**

Brain injury; Information processing; Rehabilitation; Metacognition **11, 239**

Brain injury; Neurological disorders; Neuropsychological assessment; Personality inventory; Psychotherapy; Drug therapy **11, 129**

Brain injury; Trial lawyer; Plaintiff's medical experts; Life care planning; Insurance company; Neuropsychology **11, 119**

Categorization; Cognitive rehabilitation; Post-stroke patients **11, 201**

Cerebrovascular disorders; Outcome; Race; Gender; Marital status **11, 249**

Certification; Brain injury rehabilitation; Training standards **11, 101**

Cognitive rehabilitation; Categorization; Post-stroke patients **11, 201**

Community; Traumatic brain injury; Reintegration; Family; Work **11, 107**

Decision tree; Subcortical motor aphasia; Post-stroke; Anxiety; Depression **11, 255**

Depression; Spinal cord injury; Anxiety **11, 155**

Depression; Subcortical motor aphasia; Post-stroke; Decision tree; Anxiety **11, 255**

Disability; Impairment; Handicap; Stress and coping; Vulnerability; Brain injury; Outcome **11, 51**

Disability; Impairment; Rating; Neurologic **11, 41**

Down syndrome; Gait; Reliability; Functional Ambulation Performance Score (FAPS) **11, 211**

Drug therapy; Neurological disorders; Brain injury; Neuropsychological assessment; Personality inventory; Psychotherapy **11, 129**

Dynamic assessment; Brain injury; Learning potential; Instruction potential; Transfer potential **11, 227**

- Educational programming for youth with TBI;** Pediatric acquired brain injury; Special education; Global perspective of educational needs **11, 85**
- Family;** Traumatic brain injury; Reintegration; Work; Community **11, 107**
- Functional Ambulation Performance Score (FAPS);** Down syndrome; Gait; Reliability **11, 211**
- Functional abilities;** Work disability; Neurological impairment; Peripheral nervous system **11, 29**
- Functional assessment;** Activities of daily living; Functional outcomes; Adapted equipment **11, 141**
- Functional capacity evaluation;** Impairment rating; Validity; Reliability **11, 13**
- Functional capacity;** Medical evaluations; Injured workers; Return to work **11, 3**
- Functional outcomes;** Activities of daily living; Adapted equipment; Functional assessment **11, 141**
