

Erratum

Volume 16 (3,4)

Some author's names were misspelled or not mentioned in the abstracts of the 5th International Neurotrauma Symposium. Below you will find – in bold – the correct spelling of their names.

P148. Role of macrophages and serum complement in experimental immunological demyelination of the CNS

J.K. Dyer, J.A. Bourque, J.D. Steeves (Vancouver, CDN)

P266. Relationship of cytokines and growth factor expression in contused rat spinal cords

E. W. Su, J.J. Liu, M. Brus-Ramer, S. Phonsombat, W.C. Huang, R. Hart, W. Young (Piscataway, USA)

P267. Effect of monosialic ganglioside and methylprednisolone on cytokine and neurotrophin expression in contused rat spinal cord

S. Phonsombat, M. Brus-Ramer, L. Peng, W.C. Huang, R. Hart, W. Young (Piscataway, New York, USA)

(Please note order of authors above; the first two authors are now in the correct positions)

P298. Hippocampal prostaglandin changes following TBI – treatment with COX2 inhibitors

K. Strauss, R.J. Meagher, R.K. Narayan (Philadelphia, USA)

P318. Axonal regrowth and functional locomotor recovery after spinal cord transection and transient immunological myelin suppression

J.K. Dyer, C. Cantu, J.D. Steeves (Vancouver, CDN)

P430. Bilateral chronic subdural hematomas

G.K. Kim, S. Chun, J. Koh, Y. Lim, T. Kim, W. Leem, B. Rhee (Seoul, KOR)
