Molecular markers of brain damage: Current state and future perspectives

by Manfred Herrmann, Per Johnsson and Bertil Romner

[*Restorative Neurology and Neuroscience* **21**(3,4) (2003), pp. 75–77]

On p. 76, right-hand column, 2nd paragraph, an error was made in acknowledging financial support.
Where it now reads:

‘... together with an additional financial support by Sangtec Medical Company.’

it should read:

‘... Additional financial support was given by DiaSorin AB/Sangtec Medical Company.’
