

Erratum

Effect of elasticity on wall shear stress inside cerebral aneurysm at anterior cerebral artery

Lijian Xu, Michiko Sugawara, Gaku Tanaka, Makoto Ohta, Hao Liu and Ryuhei Yamaguchi*

[*Technology and Health Care* **24** (2016) No. 3, 349–357; DOI 10.3233/THC-161135]

When this article was originally published (<http://dx.doi.org/10.3233/THC-161135>), Figure 7 was omitted. It is reproduced here:

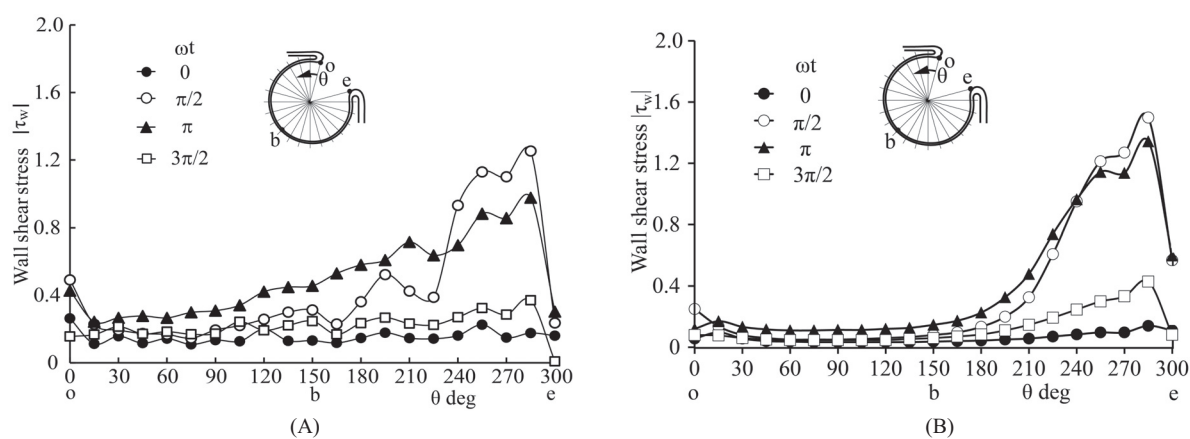

Fig. 7. Normalized and absolute wall shear stress along aneurysm wall of elastic model in pulsatile flow. $Re_m = 435$, $\alpha = 4.0$, $A = 0.68$. (A) PIV; (B) CFD.
