

Notice of Retraction

Retraction to: Clinical outcome of arthroscopic acromioplasty vs. arthroscopic rotator cuff repair for irreparable rotator cuff tears: A 3-year follow-up

IOS Press has retracted the following publication from its online content:
[*Technology and Health Care*, Pre-press (2024), 1–11, DOI: 10.3233/THC-231589]
<https://doi.org/10.3233/THC-231589>

Clinical outcome of arthroscopic acromioplasty vs. arthroscopic rotator cuff repair for irreparable rotator cuff tears: A 3-year follow-up

Sheng Ding, Jingchao Wang, Qing Sun and Jianpo Zhang

Department of Orthopaedics, People's Hospital of Linfen City, Shanxi, China

After acceptance, the authors contacted the editorial office requesting major revisions to the author list. This request was declined in line with the ethics guidelines, and the article was retracted.

The retracted article has appeared briefly in the pre-press section of the journal. The publisher has removed the article from this section completely.
