

Publisher's Note

Following an agreement between IOS Press and Elsevier Science, the publication of the journal "*Technology and Health Care*" has been transferred to IOS Press as per volume 4, 1996.

The journal will be continued with the publication of volume 4. IOS Press will publish this volume in 1996.

Subscribers who have already paid for their subscription to volume 4 will receive regular issues in 1996. The subscription agents have been informed accordingly.

New subscribers who order directly from the publisher are requested to contact our customer service [tel: (+31-20) 6382189], this to ensure delivery for 1996.

For new subscribers who order via a subscription agent, kindly inform your agent about your intention to open your subscription to the journal.

If you have any questions please contact our customer service.

We trust to see your continued support of "*Technology and Health Care*" and in particular as a subscriber to this important journal.
